## Volunteer Update

What's better than enjoying just summer's sun? When you are basking in it—while washing cars and earning money for your awesome team. Our first car wash will be June 25th at the Shell Gas Station on Park Street in Madison. It will be held from 10AM to 2PM. If you are able, stay for the whole time. If not, try to come for a two hour time block, before or after lunch. Also, if you have towels, squeegees, scrub brushes,

shammys, or anything else useful for a car wash, bring it with. Diana has already taken care of the hoses and splitter. Hot bodies: We need you there!

## Tri Commandments

Some rules of USAT (our governing body) are slightly quirky but make sense. Here a few that may get you into trouble, and the consequences. Veterans: a bit of a reminder...but you already know.

**TRANSITION AREA:** No glass containers are allowed in the transition area. Transition violations will usually get you a time penalty, but a glass container will usually result in disqualification.

**HELMET:** Make sure you have an approved helmet. Your helmet must be on your head and chin strap securely buckled before you depart

the transition area or mount your bike. If you unbuckle the helmet while on your bike you're disqualified.

**DRAFTING:** If you have just been passed, you must drop back to allow the 3 bike length gap between you

and the bike who passed you. First 2 violations are time penalties, 3rd violation is a disqualification.

**ASSISTANCE FROM OTHERS:** You cannot accept assistance from anyone except a race official, volunteers, or medical personnel. Accepting any kind of assistance from spectators is not acceptable.

Tri Commandments

...continued from page 1

**BAD BEHAVIOR:** Foul, argumentative, or abusive language or unsportsmanlike conduct directed at competitors, spectators, race officials, or volunteers is forbidden. Penalty can be a time penalty but could result in a disqualification.

**HEADPHONES:** Headphones, Walkmans etc. are forbidden during a race. Usually results in a time penalty.

**RACE NUMBERS:** Number must face front and be clearly visible at all times. Number may not be altered in any way. So stop screaming at the officials with your helmet unbuckled while drafting, b/c that will get you "deeked".

"Nature gave man two end — one to sit on. And one to think with. Ever since then man's success or failure has been dependent on the one he used most." **Robert Albert Bloch**

Around the Horn

The Badger State Games are just around the corner, and they need our help. The triathlon every year runs short on volunteers. Who better than us, people who know triathlons, to help out and up the quality of this race?!

This is your first chance to volunteer. This is on Sunday, June 19 from 5:30 to 11:00 am. All you have to do is go to [www.sportsinwisconsin.com](http://www.sportsinwisconsin.com) and click on the volunteer tab to volunteer for the Badger State Games

For more info, contact:

or

Heather McKinney  
P: (608) 226-4780 ext. 226 F: (608) 226-9550

Those members who do volunteer need to email Diana ([dmbblau@wisc.edu](mailto:dmbblau@wisc.edu)) and let her know so that she can have a running list of who has done what. Remember that all members need to participate in two volunteer events and two fundraising events to get the discount on traveling expenses with the team for next year.

This is such a small race, the results aren't even on the internet. It's a great beginner race because it's so short. You swim 125 yards in a pool, bike 7 miles, and run a 5K. The only bad part was that it was extremely cold...the race started when it was only about 35 degrees!

Every Wednesday evening, it has been tradition for members of the tri team to meet and catch up at the Terrace, enjoying whatever entertainment is there. Get to know your teammates outside of racing, workouts, and long car rides. "

"Our first Wednesday night at the Terrace went splendidly well and that people should continue to join us every Wednesday at 7pm," said social coordinator Katie Lewitzke.

## Officer Reports

Heidi Adams—President

If you're ever using a triathlon product or non-triathlon product and think it would be sweet to be sponsored by them, send Emily an email. Oh also the uniforms are in, and they're SWEET!! We actually look like red and white badgers.

Diana Blau—Volunteer/Fundraising

Another fundraising idea has come up. We will be selling authentic Wisconsin Badger table cloths during the fall on game days to all the tailgaters! It should be pretty easy and we get a \$3 dollar profit on everyone. I talked to the guy who is in charge of it and another lady in Madison to get a permit to sell on the campus grounds.

Jennifer Lachowiec—Editor

I did my first tri on June 5. Yes, I loved, can't wait for the next one, and didn't mess up too bad during the transitions. All I need to do now is sign up for more races!
